## Songpop party apple tv app

The best Apple TV apps help you get more out of your Apple streaming device. There's everything from games and fitness apps to shopping apps and recipes. Like other streaming boxes, Apple TV lets you watch your favorite shows and movies, but stands out thanks to the Siri remote (for voice search almost anything) and the wide range of apps. If you subscribe to Apple Arcade, you can play premium games on Apple TV for just \$4.99 a month and pick up where you left off on your iPhone, iPad, or Mac. Apple TV also gives you access to the best streaming services, from Disney Plus and Netflix to Sling TV. To make it easy for you to find the best Apple TV apps, we've divided everything into several categories, including streaming, music and video, games, health and fitness, and more. From apps that let you get into movies and TV shows to puzzle resolution, yoga practice and shopping, these are the best Apple TV apps available. Protect your sensitive data with a Credit Mac VPN (Image Credit: Disney) Disney Plus is one of the best Apple TV apps for anyone who cares about the many Disney franchises, including Star Wars and Marvel. You also have access to original shows, The Simpsons and more. It costs \$6.99 a month and gives you access to the entire Disney catalogue. And you can pack Disney Plus with Hulu for just \$13 a month. The Disney Plus app for Apple TV is a must have. Download Netflix (Image Credit: Netflix) We want the Netflix app to be better integrated with the Apple TV app (which is the guide). But this service still provides access to a wide variety of compelling original shows and movies, from Stranger Things and House of Cards to Luke Cage. Download Amazon Prime Video (Image Credit: Amazon Studios) It took a long time, but Amazon Prime Video offers is one of the best Apple TV apps for entertainment. Amazon's Prime Video gives you access to thousands of tv shows and shows, including lots of free content if you're a Prime subscriber. You can also use the service to watch the original Amazon series through the service. Download Apple TV Plus (Image Credit: Apple) Apple TV Plus is one of the newest entrants to the Apple TV market, but it is worth streaming for \$4.99 per month. With a subscription, you have access to original Apple programming, including The Morning Show and See, among others. Best of all, its visual quality and reliability are outstanding. Download HBO Now (Image Credit: HBO) If you cut the cable and want to watch some of HBO's outstanding content, you'll need to sign up for the \$15-month HBO Now company. With it, you can watch all HBO series and have access to a large library of movies. Can Use HBO Now to stream sports, documentaries, and other network-only content. Download YouTube TV (Image Credit: Google) Cutting the cable is never easy and finding a suitable service to consider is even more difficult. But with the help of YouTube TV, you might find it to be simple. The YouTube TV TV which costs \$50 a month, gives you streaming access to more than 70 channels, including local sports and news. It even has DVR support. This is the best Apple TV app for those thinking of throwing cables. Download Hulu (Image Credit: Hulu) If you are a Hulu subscriber, download this app on Apple TV. The quality of the flow is stellar and you can watch everything from classics like Seinfeld (all nine seasons) to exclusives like The Mindy Project. In addition, Hulu integrates with the Apple TV app, so from your home screen, you can quickly access the shows you've watched. Oh, and check out our best hulu movies guide when you're trying to decide what to watch. Download Best Apple TV music and video apps Pandora (Image Credit: Pandora) Pandora has long been one of the most popular streaming-music apps and easily one of the best Apple TV apps for music. The service allows you to create stations and clean songs according to your tastes. After you can expect, the app includes large album illustrations and easily accessible controls. You can use Pandora for free, but you can also sign up for a paid version that will remove your ads. Download YouTube (Image Credit: YouTube) Like the fourth generation Apple TV, Apple TV 4K is compatible with a key app that was not available in previous models: YouTube. After you download the free YouTube app, you can stream videos, movies, and more. The quality of the flow is quite good, and the width of the content is impressive. Download Apple Music (Image Credit: Apple) Apple Music is the \$10 tech giant streaming music service. When you sign up, you can access the millions of Apple Music songs, as well as playlists organized to listen to the music you love. Apple Music also has a for you section, so you can discover new music that are similar to the tracks you enjoy. Download Discovery Go (Image credit: Discovery) If you're a discovery channel lover, the Discovery Go app is a must-have for Apple TV. The app allows you to watch full episodes and live TV from the Discovery Channel. And it's available for free with your TV subscription. The app includes Shark Week, Naked and Fear programming and other popular Discovery shows. Download Showtime Anytime (Image Credit: Showtime) Showtime Anytime is a must-have if you are a Showtime subscriber via cable or satellite provider. This app gives you access to all the latest hits, including Homeland and Ray Donovan, as well as older favorites, such as Dexter. Download Comedy Central (Image Credit: Comedy Central) The free Comedy Central app has a surprisingly robust amount of content, making it one of the best Apple TV. It features plenty of special stand-up and gives you access to some of the best series of the network, such as South Park and the Daily Show. There are also some short-form content you'll want to check out. Download Best Apple TV game apps Apple Arcade (\$4.99/month) (Image Credit: Arcade) This year, Apple released Apple Arcade-streaming service. For \$5 a month (or \$50 a year), you can more than 100 Apple Arcade games, ranging from simple and fun titles to more sophisticated titles that rival some console titles. Apple Arcade offers fun playing for everyone in the family, and is one you don't want to miss if you enjoy casual but fun games. Learn more Wonder Boy: Dragon's Trap (\$7.99) (Image Credit: DotEmu) Wonder Boy: Dragon's Trap won an award as the best Apple TV game for good reason. It features a remarkable story, great-looking graphics, and an impressive soundtrack. It always makes you look for a cure for your half-human, half-lizard problems, the more pleasant. The title costs \$7.99, but it's generally one of the best Apple TV games. Download Draw 2 (\$9.99) (Image Credit: Jackbox Games) Drawful 2 is a game like Pictionary that combines the touchscreen on your iPhone or iPad with Apple TV to create a very compelling video game. The app

asks you to draw different clues on your device and for your teammates to try to figure out what you're drawing. It's a fun family game that you can play with anyone. Download**Just Dance Now** (Image Credit: Ubisoft) If you are looking for a free party game that can get people off the couch and moving, consider lifting **Just Dance Now**. The app shows you to dance to more than 500 songs from some of the industry's biggest names, including Beyonce, Ariana Grande and others. Download**Crossy Road** (Image Credit: Hipster Whale) **Crossy Road** is one of the most exciting free games you can download on Apple TV. It's a top-down title with basic graphics that asks you to simply hop your way down a road. (Think Frogger.) It's simple, easy to play and incredibly fun. Download**Alto's Adventure** (\$0.99)(Image Credit: Snowman)Alto's Adventure has been named one of the most compelling and amazing games on Apple devices, so perhaps it's no wonder that this app has gained a place on our list of the best Apple TV apps. The game places you in a village and immediately pushes you into a fascinating adventure. Download**Sonic The Hedgehog Classic** (\$2.99) (Image Credit: Marga) There's something so charming about starting Apple TV and launching **Sonic The Hedgehog Classic**. The game offers the full sonic experience you remember in all its wacky and fast-paced glory. Download**Machinarium** (\$4.99)(Image Credit: Amanita Design)If you are looking for a more sophisticated game, try **Machinarium**. Your goal is to help Josef the robot save his girlfriend in this strange title. The graphics are beautiful, and the gameplay is stellar. Download**Sky Force Reloaded** (Image Credit: Infinite Dream Inc.) One of the most interesting and fun games on Apple TV, **Sky Force Reloaded** offers arcade-style action, in 4K HDR. The game has 15 stages and a variety of aircraft to help you take on enemies and bring down big bosses. Download**Framed 2** (\$4.99)(Image Credit: Loveshack)Framed 2 has some of the most interesting visuals of any game on Apple TV. In this puzzle noir game, you are tasked with modifying the comic frames to change the story. It's also pretty easy to control the action with the Siri remote touchpad. Download**Riptide GP: Renegade** (\$2.99)(Image Credit: Vector Unit)If you're looking for a game that can take advantage of the power of Apple TV 4K and that looks like a traditional console title, **Riptide GP: Renegade** is a good bet. The game is a hydrojet racing title that feels fast-paced and fun. And with the ability to perform stinky stunts, you'll continue to come back for more. Download**Best Apple TV Health and Fitness Apps**At **Home Workouts** by **Daily Burn** (Image Credit: Daily Burn) When it's cold and you don't want to go to the gym, consider trying at **Home Workouts** by **Daily Burn**. One of the best Apple TV apps, this free app comes with more than 1,000 audio and video workouts, as well as a new group workout every day. Better yet, you can choose different workouts, depending on which part of the body you are looking to target. Download**Calm**(Image Credit: Calm)There are a few things more important to your health than mental health. And with **Calm**, you can go a long way in helping you meditate and improve emotional well-being. **Calm** can also be used to calm you down after a long day and help you sleep. So if you want to meditate, sleep or simply feel better mentally, the free **calm** app is for you. Download**Yoga Studio** (\$3.99)(Image Credit: GAIAM)Yoga Studio is an app designed to bring you back into Zen life mode. It provides instructions on how to get into different positions, and works well for both beginners and experts. This is one of the best Apple TV apps for fitness because it's like having your own personal yoga instructor in your living room. Download**White Noise** (\$0.99) (Image Credit: Mike Kotsch)Sometimes a little meditation goes a long way. And that's where the 99-czech **White Noise** app comes in. The app allows you to choose from a lot of sounds designed to help you focus. It's a nice app to have after a long day at the office. Download**Alo Moves** (Image Credit: Alo LLC)Alo Moves is the app formerly known as **Cody**. But it still comes with all the great yoga you'd expect from the previous version. The app offers a variety of classes for you to watch, as well as practice videos, so you can work on certain positions and other techniques to improve your skills. Best of all, the app is free. Download**Best Apple TV sports apps**ESPN Plus (Image Credit: ESPN)If you're a UFC fan or simply want more access to sports on your TV or on the go, you'll want to subscribe to the \$5-a-month **ESPN Plus**. **Best Apple TV app for fans** This streaming service allows you to watch every UFC pay-per-view fight and gives you access to everything from basketball and baseball to cricket and rugby. In general, **ESPN Plus** is an excellent choice. Download**MLB At Bat** (Image Credit: MLB) Major League Baseball has invested heavily in Apple TV with the organization **MLB At Bat** app. The program allows you to stream select live games and highlights, and includes live pitch tracking, so that can see a team is pitching to a dough. Add that to the live dashboard and tracking team, and **MLB La Bat** is a winner. Download**WWE Network** (Image Credit: WWE) Wrestling fans now have more options, thanks to **AEW**, but in the world of wrestling, **WWE** is still the charts. And at \$10 a month for **WWE Network**, you can get access to all **WWE** pay-per-views, including **Wrestlemania**, as well as the entire programming library. **WWE** is also adding plenty of new, original content to make its service even more appealing. Download**DAFN** (Image Credit: DAFN) If you are a boxing fan, you might know that trying to access the latest and biggest fights is not so easy. But that's where **DAZN** comes in. The streaming app allows you to access all the latest boxing matches, as well as a variety of mixed martial arts fights. The service costs \$99 a year or \$19.99 a month. Download**Best Apple TV Science and Learning Apps**PBS Video (Image Credit: PBS Video) One of Apple's best TV apps, **PBS Video** provides access to the full range of PBS programming, helping you track what you want when you want from work. It includes thousands of full-length PBS series episodes, documentaries, and even programming from affiliated networks. Download**NASA**(Image Credit: NASA)The **NASA** app is one of the most interesting and thought-provoking Apple TV apps, allowing you to see videos of spacewalks, the latest space images captured by **NASA**, incredible videos, and more. Best of all, the app even has live **NASA TV** streaming, so you don't miss a minute of action. It is available free of charge. Download**The Explorers** (Credit Image: Explorers Network)If you're someone who truly appreciates the beauty of the world, look no further than **Explorers**. Apple not only called it the best Apple TV app of the year, but **The Explorers** offers beautiful and vibrant images that aim to help you see the beauty of animals, landscapes and everything else the world has to offer. Download**Udemy** (Image Credit: Udemy) **Udemy** is a remarkable app if you want to educate yourself on all those things that you may simply not have had time to pick up. The app is essentially an online learning market that features more than 80,000 courses in an impressive list of categories, including coding, marketing and even self-defense. It will even teach you to play various instruments. Download**TED**(Image Credit: TED)If you feel like learning, download the free **TED** app. The best Apple TV app for anyone who wants to win, has a continuously updated repository for all the **TED** and **TEDx** discussions you want to watch. The app's search function is stellar as well. Download**Best Apple TV kids apps**Endless Learning Academy image: Initiator Inc.) Parents who are looking to occupy their children but do not want to leave their children with useless entertainment might want to check out **Endless Learning Academy**. The app is ideal for children from pre-school to first grade and offers a variety of learning activities and And with a compelling design, this app should keep the kids involved. Download**iBooks StoryTime**(Image Credit: Apple)Apple **iBooks StoryTime** is a welcome app to spend evenings with children. Simply turn on the free app and choose a story. The app then tells the story and provides visual elements to make the story more immersive. Download**Amazon App** (Image Credit: Amazon) Getting itchy shopping? If so, **Amazon** has you covered. The company offers a free Apple TV app that lets you search through site listings and make purchases. The app has a handy search tool and simple look, and makes it almost too easy to spend a lot of money in short order. Download**Nest**(Image Credit: Nest)If you are a **Nest Cam** user, download the free **Nest** app. You'll be able to see a live security camera feed whenever you want. If you're a **Nest Aware** subscriber, you can also view saved content. Download**Best Apple TV art and landscape applications**Cityscapes 4K of Magic Window (Image Credit: Magic Window) If you are hoping to relax and watch some gorgeous images from around the world, **4K Cityscapes of Magic Window** is for you. It offers city views from around the world, displayed in **4K HDR**. You can travel to **New York**, **London**, **Paris** and **Tokyo**.Download**Best Apple TV travel and weather apps**Kayak (Image Credit: Kayak) **Kayak** is one of the best Apple TV apps because it can help you book your next holiday without ever leaving the couch. The app allows you to search for different locations, hotels, cars and other holiday must-haves before travel. It searches hundreds of travel sites to get the best deal, and it works extremely well. Download**WeatherMap+** (\$2.99)(Image Credit: WeatherMap)A lot of weather apps are available in the **Apple TV App Store**, but **WeatherMap+** is the best. It allows you to pan around the world to see different weather events, in addition to the standard weather content that you would expect. Download wait. Download
